PHILOSOPHY

Piùesse embodies a unique and distinctive vision in the wellness industry, built on two complementary pillars, such as *innovation* and *excellence* in selection.

On one hand, we design and manufacture high-tech products engineered to deliver **cutting-edge wellness experiences**, capable of meeting even the most sophisticated needs.

On the other, we act as expert curators, selecting the finest solutions available on the global market through **meticulous research** among trusted and high-quality partners.

PHILOSOPHY

Every choice reflects
an unwavering
commitment to
excellence.

We do not merely offer products but **create an ecosystem** that blends innovation, aesthetics, and functionality. Whether branded by Piùesse or carefully curated, our solutions represent the pinnacle of design and technology applied to wellness, ensuring our clients a superior, exclusive, and tailor-made experience.

Piùesse is more than a brand, it is a symbol of **continuous evolution**, where attention to detail, the pursuit of perfection, and the ambition to enhance quality of life converge in every product and project. Our goal is not only to meet expectations but to **exceed them**, offering solutions that redefine the very concept of wellness.

ABOUT US

With over thirty years of experience, Piùesse is a *benchmark* for innovation and design in the wellness sector

Starting with **bathroom renovations** for private clients and the creation of home **spa systems**, the company has broadened its vision to become a key player in the **contract** sector, collaborating with renowned hotel chains and hospitality establishments.

POSITIONING

Piùesse positions itself as a leading brand in the *wellness* and bathroom sector, offering an exclusive proposition tailored to the *B2B market*.

Every product and solution bearing the Piùesse name embodies all the best of **technological innovation, contemporary design** and meticulous attention to detail. Our commitment goes beyond meeting needs, we elevate it to a higher standard. Designing for Piùesse means anticipating client desires, ensuring uncompromising quality standards and solutions refined in every detail.

POSITIONING

Our goal is not just to provide functional solutions but to *create spaces* that inspire, captivate, and endure over time.

THE BEST WITHOUT COMPROMISE

Every Piüesse project is the result of over thirty years of research, refinement, and vision.

Starting with the finest raw materials and the most advanced technologies, we create products that embody the perfect balance between innovation and craftsmanship, designed for those who seek only the best.

EXCELLENCE FOR THE B2B WORLD

Piüesse caters to a select audience of professionals and businesses, with a strong focus on the **contract sector** and the hospitality industry.

We collaborate with numerous high-end **hospitality establishments**, designing wellness spaces that deliver extraordinary performance, are perfectly replicable, and are always customized to meet the highest standards.

The bathroom is more than just a space, it is an experience that reflects the excellence of the entire establishment and places the individual at the center of their own world.

MARKETS

Piùesse operates with a broad and ambitious vision, embracing multiple international markets while delivering the unmistakable quality of *Made in Italy* worldwide.

Building on solid roots established in the Italian market, the company has become a **recognized leader in the wellness sector**, expanding its reach into new markets and establishing itself as a symbol of innovation and sophistication.

Our commitment to internationalization

Piùesse is actively expanding its presence across **Europe**, responding to a growing demand for products that combine design, functionality, and advanced technology. **In a world where Italian quality is synonymous with prestige**, Piùesse continues to honor its origins, offering solutions that best represent the craftsmanship and aesthetic sensibility of our tradition. tradizione.

MARKETS

Piùesse's international expansion is not merely about geographical growth but is driven by a **clear vision:**

to bring the Italian concept of wellness to every corner of the world.

This means not only adapting to the diverse needs of global markets but also anticipating them, offering solutions that seamlessly blend **tradition and innovation.**

ADVANTAGES

Choosing Piùesse means
relying on a partner that
places *people at the center*
of every project.

Each solution is thoughtfully designed and
crafted to precisely and personally address the
needs of those who choose it.

Flexibility and a tailored approach form the
foundation of our work. Nothing is standard,
everything is created to offer a **unique
experience** and **meet the highest expectations.**

ADVANTAGES

Decades of experience
dedicated to quality

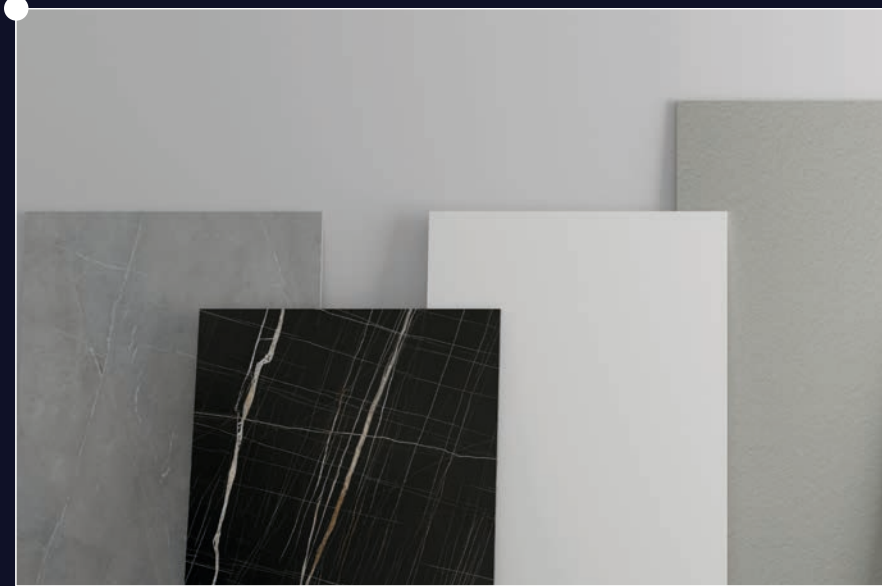

With over thirty years of industry expertise, Piùesse is a trusted reference for those seeking innovative and reliable solutions.

Our history is built on **solid skills** and a **continuous investment** in cutting-edge technologies, **enabling us to create products that stand out for their uniqueness, performance, and durability.**

A direct line to the manufacturer

With Piùesse, there are no intermediaries. **Direct contact** with the manufacturer and supplier **ensures transparency**, efficiency, and a privileged relationship.

This connection optimizes every phase of the process, from concept to creation, with the care that only those deeply involved in production can provide.

ADVANTAGES

Uncompromising quality

Every detail of our products results from **meticulous selection of raw materials and rigorous production processes**.

For us, quality is a non-negotiable value, ensured by **thorough inspections** and a constant commitment to **exceeding industry standards**.

Comprehensive and ongoing support

Piùesse is more than just a supplier—it is a partner that supports its clients at every stage of the project.

From initial consultation to post-sales support, we provide continuous assistance, always focused on achieving the highest customer satisfaction.
